38th Annual Bull Sale

Dear Fellow Cattlemen,

All of us at Coleman Limousin Ranch welcome you to our 38th Annual Production Sale. Thank you very much for your interest, support and confidence in our program.

Our 2016 sale offering is powerful and consistent with that of previous years. The bulls in this offering are sired by proven AI sires. Our cowherd is backed by generations of proven genetics. We currently have four Elite Focus Dams and 16 Focus Dams. A special sale feature is our 2016 National Western Grand Champion Pen of Three and carload bulls. Several outstanding bulls are in this group. These bulls are fed a high roughage diet with enough energy to let their genetics express themselves.

The bulls have been semen tested, ultrasound scanned, and have complete performance records and EPDs. The bulls sell with a first season breeding guarantee. We offer free nationwide delivery. Bulls that are picked up sale day receive a \$100 per head discount. All bulls are tested and confirmed BVD-PI free. Bulls going to the these states: AL, CO, ID, GA, KS, MO, NE, NV, ND, OK, TX, UT and WY, will be ready for delivery approximately five days after the sale, once Trich testing is completed.

The sale will be broadcast live by DVAuction. You can watch it on the internet and bid with DV Auction's "real time" internet bidding services. Videos of the bulls will be posted to our website about mid-March.

Plan to be with us for the sale event. Dinner will be served Sunday evening, April 3 at the Missoula Livestock Exchange, and there will be a tri-tip roast beef lunch preceding Monday's sale.

We hope this catalog's information will be helpful. Give us a call if we can be of further assistance to you. We look forward to having you with us April 4.

Sincerely,

Coleman Limousin Ranch  
Larry and Anita  
Trent and Melissa

2016 COLEMAN ANNUAL BULL SALE

# YEARLING NWSS BULLS

## LOTS 1-13

We are proud to begin our 2016 sale offering with the bulls we displayed in Denver. Over the years we have enjoyed much success at the National Western Stock Show, including 9 People's Choice Champion Carloads, 6 Grand or Reserve Grand Champion Carloads and 3 Grand or Reserve Grand Pens. This year was no different as we were fortunate enough to take home the Grand Champion Pen of Three Bulls Award. We feel these bulls are right for the times and offer both our seedstock and commercial customers genetics capable of excelling in a variety of marketing scenarios.

What better way to start the sale than with this performance packed powerhouse. This incredibly powerful individual is steeped in performance genetics on both the top and bottom side of his pedigree. His mother has an impressive weaning ratio of 123 and yearling ratio of 121. Study his performance weights of 902 Adj. WW (122 ratio) and 1,582 Adj. YW (121 ratio). As expected, his WW, YW and CW EPDs rank in single digits, complemented by top rankings for milk and scrotal. Without a doubt, COLE Cherokee is one of the highest performing purebred bulls to sell all spring.

Another very powerful black, polled purebred bull in his own right, COLE Challenger comes with a very manageable 0.7 BW EPD, yet his adjusted weaning and yearling weights tip the scales at a whopping 895 and 1,533 lbs., respectively. This eye-appealing individual also sports an impressive data set with breed-leading percentiles for six economically important traits. His dam has weaning and yearling ratios of 110, and an UIMF ratio of 123. Tie into this big-time herd-sire prospect who truthfully has no holes.

Quite possibly the most eye-appealing bull of the sale, he doesn't give up an ounce of mass or performance. With only a 78-lb. BW, COLE Catlyst still managed to mash the scales down at 876-lbs. at weaning and 1,443 at yearling. If you are looking for a stylish herd sire who combines trait-leading genetics for both calving-ease and growth, then study this son of COLE Zone who goes back to a tremendous Production 608 female who has a weaning ratio of 105 on six calves.

Up for your appraisal is this Homozygous Polled, purebred who is bred different than most anything in the sale. The genetic variability found in his pedigree gives our many longtime customers a chance to step outside of the box without sacrificing the muscle and performance you have come to expect from the COLE prefix. This calving-ease specialist only weighed 66 lbs. at birth and consequently, ranks in the single digits for all three calving-ease EPD indicators. However, unlike so many true calving-ease bulls, COLE Carson also ranks in the top 4% of the breed for WW and top 20% YW for EPDs.

Yet another high-performing X-Rated son out of a Production 608 female who has a weaning ratio of 102 on five calves. This Homozygous Black, Homozygous Polled lunker had an adjusted weaning weight of 876 lbs. and an adjusted yearling weight of 1,435 lbs. He ranks in the top 1% of the breed for WW, YW and CW EPDs, making him a true performance sire.

# SPRING YEARLING BULLS

## LOTS 14-116

**This year's group of bulls is both powerful and consistent in terms of phenotype, pedigree, actual performance and EPDs. The bulls are sired by the industry's leading AI sires, as well as members of our top-notch bull battery. What's more, they are backed by generations of predictability on the dam side of the pedigree as evidenced by the Four Elite Focus Dams and 16 Focus Dams that grace our pastures. Rest assured every step has been taken to assure you, our buyers, that these bulls will perform as expected. They have been culled rigidly, with all of the necessary data collection documented along the way. We appreciate the interest shown in our program and hope you won't hesitate to contact us should you have any questions on this year's offering.**

**CONGRATULATIONS TO  
 FRANK AND SHEILA DALEY OF SINGLE TREE RANCH  
 2016 LIMOUSIN COMMERCIAL PRODUCER OF THE YEAR**

*"We have used Limousin for 30 years. They run at high elevation on our western slope ranch in Colorado with little or no problems with PAP. They adapt very well to our SW Nebraska operation when taken there. We retain our calves to finish when the market is right and have seen dressing percentages up to 67% with 75-85% Choice carcasses. We like the longevity of the females as they stay in the herd a long time and have excellent udders."*

—Frank Daley, rancher, New Castle, Colorado, and Haigler, Nebraska

"We select Coleman Bulls with balanced EPDs with a focus on birth weight and bulls with a solid phenotype. Our summer grazing permit covers over 300,000 acres with an average altitude of over 8,000 feet. Limousin bulls handle the altitude and have great longevity."

Tate and Kelly Scanga, Big Meadow Ranch, Saguache, Colorado

# GENERAL SALE INFORMATION

**TIME AND LOCATION:** 1:00 p.m. Monday, April 4, 2016. The sale will be held at the Missoula Livestock Exchange, Missoula, Montana.

**TRANSPORTATION:** Commercial as well as private aircraft service is available to the area. Rental cars are available at the airport, or with advance notice your plane can be met at the airport.

**TELEPHONE:** Calls may be placed directly to the sale site by calling (406) 728-3052.

**TERMS:** Terms of the sale are cash, unless prior credit arrangements are established between buyer and seller. Settlements are to be made with the clerk immediately after the conclusion of the auction.

**HEALTH:** All cattle will be tested for Brucellosis within thirty (30) days of the sale. Health certificates will be provided with each lot sold.

**FIRST BREEDING SEASON GUARANTEE:** All bulls, 12 months of age and over at the time of sale, are guaranteed breeders. A bull is determined a breeder when he settles one or more females and/or passes a satisfactory semen test. Certificates of a satisfactory semen test will be provided at sale time for all bulls. In the first year, if a problem occurs with a bull, we will give you a suitable replacement or you will receive full credit minus the salvage value of the original bull toward another purchase in next year's sale. Please notify the seller of the bull as soon as possible if a bull is injured. This guarantee is a contract between the buyer and seller. All other parties are acting as agents or representatives only.

**LIABILITY:** Each animal will be at the buyer's risk as soon as sold, but will be cared for by the seller for a reasonable period of time. Every precaution will be taken for the welfare of the cattle sold. Neither owner nor sale manager can be responsible for any accidents, but every effort will be made to provide for the safety and comfort of those attending the sale.

**ANNOUNCEMENTS:** Announcements made sale day take precedence over printed material in catalog.

**DELIVERY:** Free nationwide delivery to any central U.S. point. In some cases, this may require additional transportation by the buyer from a central location to their ranch. Every effort will be made to deliver to the buyer's ranch or to a convenient location as close to the buyer's ranch as possible. Buyers who do their own hauling will receive a \$100 per head credit.

Our story begins in 1970 when Limousin were brand new to North America. Muscle and efficiency is what drew us to the breed and what keeps us here today. Many have heard of the sire COLE First Down. He helped put the COLE prefix on the map.

Today our 4 Elite Focus Dams and 16 Focus Dams form the foundation of a strong cow base. These momma cows do their job by raising powerful bulls our customers demand and replenishing our replacement pens.

Our family enjoys raising Limousin and Lim-Flex cattle. We've had a front-row seat in being a part of this breed's growth and our passion is as strong as ever. We look forward to another 46 years.
