SALE LOCATION

Sale site on frontage road by
intersection of Hwy. 93 and I-90 9 miles
northwest of Missoula.

Dear Fellow Cattlemen,

All of us at Coleman Limousin Ranch welcome you to our 43rd Annual Bull Sale. Thank you very much for your interest, your support and your confidence in our program. The past year has been challenging for all of us and it has really shown us just how important agriculture is to our country.

Our 2021 sale offering is just as powerful and consistent as in previous years. The bulls in this offering are sired by proven AI sires. Our cowherd is backed by generations of proven genetics. The bulls are fed a high roughage diet with enough energy to let their genetics express themselves. A nice benefit to our customers is our large sire groups, giving them a consistent set of bulls to choose from. The Limousin and Lim-Flex bulls in this sale offering are exceptional for performance and carcass traits.

The bulls have been semen tested, ultrasound scanned, and have complete performance records and EPDs. The bulls sell with a first season breeding guarantee (please see page 2 for more details). We offer free nationwide delivery except states East of the Mississippi River. Bulls that are picked up on sale day will receive a \$100 per head discount. Bulls going to NV, UT and WY will be ready for delivery approximately five days after the sale, once Trich testing is completed.

The sale will be broadcast live by DV Auction. You can watch it on the internet and bid with DV Auction's "real time" internet bidding services. Videos of the bulls will be posted to our website around mid-March.

Plan to be with us for the sale event. We invite you to enjoy a tri-tip roast beef lunch on sale day starting at 11:30 am.

We hope this catalog's information will be helpful. Give us a call if we can be of further assistance to you. We look forward to having you with us April 6.

Sincerely,

Coleman Limousin Ranch

Larry & Anita

Trent & Melissa

COLE

Our story began in 1970 when Limousin were brand new to North America. Muscle and efficiency is what drew us to the breed and what keeps us here today. Many have heard of the sire COLE First Down. He helped put the COLE prefix on the map.

Today our 4 Elite Focus Dams and 16 Focus Dams form the foundation of a strong cow base. These momma cows do their job by raising powerful bulls our customers demand and by replenishing our replacement pens.

Our family enjoys raising Limousin and Lim-Flex cattle. We've had a front-row seat in being a part of this breed's growth and our passion is as strong as ever. We look forward to another 50 years.

GENERAL SALE INFORMATION

TIME AND LOCATION: 1:00 p.m. Tuesday, April 6, 2021 The sale will be held at the Five Valleys Livestock, Missoula, Montana.

TRANSPORTATION: Commercial as well as private aircraft service is available to the area. Rental cars are available at the airport, or with advance notice your plane can be met at the airport.

TELEPHONE: Calls may be placed directly to the sale site by calling (406) 728-3052.

TERMS: Terms of the sale are cash, unless prior credit arrangements are established between buyer and seller. Settlements are to be made with the clerk immediately after the conclusion of the auction.

HEALTH: All cattle will be tested for Brucellosis within thirty (30) days of the sale. Health certificates will be provided with each lot sold.

FIRST BREEDING SEASON GUARANTEE: All bulls, 12 months of age and over at the time of sale, are guaranteed breeders. A bull is determined a breeder when he settles one or more females and/or passes a satisfactory semen test. Certificates of a satisfactory semen test will be provided at sale time for all bulls. In the first year, if a problem occurs with a bull, we will give you a suitable replacement or you will receive full credit minus the

salvage value of the original bull toward another purchase in next year's sale. Please notify the seller of the bull as soon as possible if a bull is injured. This guarantee is a contract between the buyer and seller. All other parties are acting as agents or representatives only.

LIABILITY: Each animal will be at the buyer's risk as soon as sold, but will be cared for by the seller for a reasonable period of time. Every precaution will be taken for the welfare of the cattle sold. Neither owner nor sale manager can be responsible for any accidents, but every effort will be made to provide for the safety and comfort of those attending the sale.

ANNOUNCEMENTS: Announcements made sale day take precedence over printed material in catalog.

DELIVERY: Free nationwide delivery to any central U.S. points. Bulls selling to states east of the Mississippi River will be charged \$500 per head. In some cases, this may require additional transportation by the buyer from a central location to their ranch. Every effort will be made to deliver to the buyer's ranch or to a convenient location as close to the buyer's ranch as possible. Buyers who do their own hauling will receive a \$100 per head credit.

RETAINED INTEREST: Selling full possession and one-half semen interest on all bulls in this offering.

The 2021

BULL OFFERING

This year's group of bulls is both powerful and consistent in terms of phenotype, pedigree, actual performance and EPDs. The bulls are sired by industry leading AI sires, as well as members of our top-notch bull battery. What's more, they are backed by generations of predictability on the dam side of their pedigree. Rest assured every step has been taken to assure you, our buyers, that these bulls will perform as expected. They have been culled judiciously, with all of the necessary data collection documented along the way. We feel these bulls are right for the times and offer both our seedstock and commercial customers genetics capable of excelling in a variety of marketing scenarios. It will be our pleasure to serve as your genetic source not only this year, but long into the future as well.

What an exceptional way to lead off this impressive offering! COLE Homerun 51H ET combines a notable pedigree, a balanced EPD profile and eye catching phenotype. His sire, CELL Envision 7023E, has proven to transmit progeny that pairs big data with stand out phenotypes. CELL Envision 7023E is deceased but his legacy continues through his calves that sort to the top of many astute breeding programs across the country. His donor dam is COLE Miss Xrated 354A who has an impressive resume producing two other maternal brothers who are both notable AI sires and past sale highlights, COLE Cadillac 05C and COLE Genesis 86G. On paper COLE Homerun 51H ET has numbers worth studying—take note of his breed leading weaning weight and yearling weight, both traits rank in the top 1%. He also ranks in the top 2% for total maternal, top 30% for scrotal, top 30% for stayability, top 3% for carcass weight, top 20% for ribeye, top 20% for marbling and top 3% for mainstream terminal index. Aside from his numerical advantages, phenotypically he is heavily structured, big bodied, level topped, with extra muscle expression and free moving off both ends of his skeleton. What's more he is homozygous black and homozygous polled. Don't miss out on your chance to own this remarkable individual that will predictably advance your breeding program to new heights.

These two paternal brothers are sired by the great CELL Envision 7023E who consistently transmits performance, muscle and eye appeal. Although CELL Envision 7023E is now deceased, his progeny are a hot commodity due to their impressive numbers and visual aesthetics. The dams of these herd sire prospects are both highly productive, respected members of our cow herd and add unique attributes to each mating. Numerically these two brothers have breed leading EPDs ranking in the top percentiles for weaning weight, yearling weight, scrotal, docility carcass weight, rib eye and mainstream terminal index. Both bulls are double homozygous, fast growing, easy keeping, stout featured and fundamentally correct. You can't go wrong with these two brothers that check all the boxes.

Lot 4 and Lot 5 are sired by AHCC Earning Power 900E ET, who has proven to sire the right kind of calves that great cattlemen search for. AHCC Earning Power 900E ET is a son of the great MAGS Anchor, and has 171 total progeny registered in NALF. These two bulls are stout featured, wide based, and bring added growth, muscle expression and performance. Their individual dams offer unique advantages. Both are foundation females of our program. On paper these individuals offer exceptional growth figures and carcass merit. Both are homozygous polled and homozygous black. This combination of presence and numbers project these paternal brothers to be the type of herd bulls that will produce well-balanced, stout calves year in and year out.

"We have used Limousin for 30-plus years. They run at high elevation on our western slope ranch in Colorado with little or no problems with PAP. They adapt very well to our SW Nebraska operation when taken there. We retain our calves to finish when the market is right and have seen dressing percentages up to 67% with 75-85% Choice carcasses. We like the longevity of the females as they stay in the herd a long time and have excellent udders."

*—Frank & Shelia Daley
New Castle, Colorado, and Haigler, Nebraska
2016 Limousin Commercial Producer of the Year*

"We use Lim-Flex® bulls on our British-based cows because it allows us to achieve our goal of producing a high percentage of cattle that grade Choice, have higher yielding carcasses, while maintaining feed efficiency and uniformity."

-Erik Roen, Sierra Valley Ranch California

Roen is a profit-minded cattleman who uses Lim-Flex bulls on his 2,000 head cow herd. Roen markets his calves through Superior Livestock Auction. One set of calves averaged 94% Choice or Prime, had greater than a 65% dressing percentage and returned \$117 per head of profit for the feeder.

A dozen Coleman registered Limousin and Lim-Flex heifers sold in 2019 through Tyson Meats in Pasco, Washington. **Note** that 92% graded Choice with every animal turning in a Yield Grade 1 or 2 carcass. These results are proof positive that Coleman genetics have the proven ability to grow, grade and yield. A profitable combination indeed.
